## MODEL T8328AR — TWIN 18

Power-packed and smooth with 18 hp opposed-piston, four cycle, twin cylinder Onan engine . . . 8-speed 6 + 2 Pac all-gear transmission • keyswitch electric start • running time monitor • deep-padded, high-back, spring-mounted and adjustable seat • rear-mounted fuel tank with fuel gauge • full fenders and footrests • combination clutch/brake • independent parking brake • twin sealed beam headlights • taillight.

Shown With Optional Rotary Mower, TT738AR and Optional Hub Caps, TA018AR.

another free manual from [www.searstractormanuals.com](http://www.searstractormanuals.com)

Shown With Optional Rotary Mower, TT728AR.

## MODEL T6328AR — TWIN 16

Rugged . . . responsive . . . handles every Roper multi-use, multi-season attachment . . . easily, smoothly. Twin-16 hp Briggs & Stratton engine and 8-speed all-gear Roper 6 + 2 Pac power train transmission • keystack • spring-mounted, adjustable seat • 3½ gallon rear fuel tank with gauge. All the Roper Quality features for ease of handling, dependable performance.

### MODEL T63361R (not shown)

Onan Twin-16 engine and automatic hydro-drive.

### MODEL T63241R (not shown)

Onan Twin-16 engine and 8-speed, 6 + 2 Pac.

*choice in horsepower and size for maximum performance and efficiency... for every-size lawn and garden*

**MODEL T62241R — STRAIGHT 16**

Delivers the power and performance for all-purpose use. Smooth going with Briggs & Stratton cast-iron Snychro-Balanced 16 hp engine • Roper 6 + 2 Pac all-gear transmission with 6 speeds forward, 2 reverse • ball-joint steering • spring-mounted, adjustable seat • rear fuel tank with gauge • full running boards/footrests • extra-wide tires.

**MODEL T32241R** (not shown)  
Briggs & Stratton, Straight-13.

Shown With Optional Self-Powered Lawn Vacuum, TT6951R.

**All Roper Garden Tractors are equipped with safety neutral interlocks to prevent starting of tractor unless transmission is in neutral and attachment clutch is disengaged.**

**MODEL T4328AR — 14 HP**

Great going . . . easy handling. Tecumseh 14 hp engine with regulator and rectifier, solid state ignition system • 8-speed all-gear Roper 6 + 2 Pac power train transmission • separate throttle/choke • keystore • top fuel tank with visual level indicator • independent parking brake • combination clutch/brake • headlights • taillight.

Shown With Optional Hub Caps, TA018AR.

**MODEL T1228AR — 11 HP**

Four-cycle 11 hp Briggs & Stratton cast-iron Snychro-Balanced engine . . . provides plenty of power. Roper 6 + 2 Pac all-gear transmission with 6 speeds forward, 2 speeds in reverse • keystore • automotive-type ignition system • dual-spring, adjustable seat • top fuel tank • independent parking brake • throttle, choke combined • clutch/brake • taillight.

Both Shown With Optional Rotary Mower, TT718AR.

### MODEL T02251R — 10 HP

Big tractor performance with rugged 10 hp Tecumseh cast-iron engine with solid state ignition system. Roper 6 + 2 Pac all-gear transmission • rear-mounted fuel tank • sealed beam headlights • ball-joint steering • handles an 8-inch plow and all Roper tillage and snow removal attachments.

Shown With Optional Rotary Mower, TT2041R.

For complete information on Roper Attachments, see separate Specification Sheet.

For maximum traction and performance, tractor wheel weights are recommended with tillage and snow removal equipment.

# ROPER

## ROPER 6 + 2 PAC POWER TRAIN

Rugged Roper-built all-gear transmission provides 8 precise speeds to match the power to the task. 6 speeds forward from .85 to 6.56 mph, reverse speeds of 1.02 and 2.53 mph. Dependable power and performance for mowing, tilling, grading, snow removal.

## EASY SPEED SELECTION

You have six speeds forward, two reverse to match power to the task and the terrain. Speed selection clearly identified from driver's seat.

LOW RANGE			HIGH RANGE			REVERSE	
1st	2nd	3rd	1st	2nd	3rd	Low	High
.85	1.60	2.56	2.10	3.96	6.56	1.02	2.53

## REAR-MOUNTED FUEL TANK (selected models)

Easier filling and eliminates possibility of spillage on hot engines. Seat tilts forward for easy access. Fuel pump assures proper fuel flow to engine.

*A special safety interlock system prevents starting the tractor unless the transmission is in neutral and the PTO clutch is disengaged.*

## SPRING-MOUNTED SEAT

Comfortably contoured seats are fully-cushioned and spring-mounted for easier riding. Seats are adjustable to provide positive command and comfort.

*Roper's policy of continuous product improvement requires that specifications are subject to change without notice.*

# LAWN TRACTORS

## MODEL L8218AR

Plenty of power . . . with smooth handling and slick maneuverability . . . takes a lot of lawn work right in stride. Geared steering gives you positive command . . . turn in tight, trim in tight places. Powerful 8 horsepower Briggs & Stratton engine and transaxle drive with 3 forward speeds plus reverse. 36-inch dual-blade mower with five cutting height adjustments. PLUS: electric starter, headlights, tail reflector, separate throttle/choke, 13-inch steering wheel, combination clutch/brake, separate parking brake, spring-mounted seat, neutral interlock safety system.

**MODEL L06356R** (not shown) — 10 horsepower cast-iron Tecumseh engine, four-speed transaxle, 36-inch dual blade mower.

Rotary Mower Included With Tractor.
